RAILROAD ACCIDENT

Further Particulars of the Accident on the Erie Road.

NEW YORK, July 16.—There are but few additional particulars of the Erie semble additional particulars of the Eric Railroad accident. Mr. Gibson, a pas-senger, says of the burning of the smoking car, that in it, wedged in his seat by the heap of broken timbers, sat Rev. Mr. Halleck, of New York seat by the heap of broken timbers, sat Rev. Mr. Halleck, of New York are perfectly entired himself from the wreck. In class the construction make as peech in response, says and to replace the care we searched around and obtained one from a house by the road-side one from a house of the from the vide of the from the road-side one from a house of the from the vide of the from th

the warming of the material and machinery. Every flouring mill, woolen factory and bidge on the Comal river was swept and one or two were in the ruins, calling for help and groaning with pain. An ax was one or two were actually chopped out their imprisonment. Most of their imprisonment. Most of their imprisonment. Most of their bodies consumed or injured. I should think there were sixteen or seventeen persons in the front end of six car, and I think but two were taken out. I do not think a person of the content was killed by the smash-up, but that all the deaths were from burning."

WASHINGTON

and British legations have respect-fully forwarded to parties who are di-rectly interested in the letter to the All the parties concerned have been rectly interested in the letter to the Secretary of State relative to the telescretary of State relative to ed to the Governor of Massachusetts as terminus of it is proposed to be secured in that State. Copies of the bill which passed the Senate but failed to be acted upon in the House for the Further Discussion of the inian church as above mentioned as a base of noion on the part of the Government of the United States and a showing of

manding Generals of the military deots on the frontlers to fitrnish such or the protection of Commissioners of ndian Affairs in their tour of Inspecations about to be made by the Suo-Committee of said commission, Richard P. Schael, of Indiana, has been appointed Consul at Santiago

leserted, only one clerk is now employed in the President's office. From indications at the Treasury next public statement will show an-

other large requesion of the indebted-pess, though not hear so large as it exhibits in the present month. The receipts from customs and the internal revenue are considered very good for a dull season. Estimating the receipts and expenses of Government for the rewhat they have been to the present, the statement of the 1st of Augut will show a reduction of upwards of five

The revenue of Philadelphia, with he aid of marines, have been making another raid on the illiest distilleries in the Richmond district, this time completely cleaning them out. The fifteen cent currency is ready for issue next Monday.

Information has been received at the Revenue Bureau from Tennessee of the capture of an ox wagon in the mountains of Rock county loaded with whisky from an illicit distillery. owner of the team was selling whisky from the wagon. The proto the woods. His name is Allen. The wagon was taken possession of, but subsequently was recaptured from the officers and the whisky was poured m the ground and the wagon aban-

Owing to the Importance of the nestions involved in the Yerger case the Attorney General has entered into written stipulation with Phillips and Carlisle for the purpose of initia-ting proceedings by which these questions will be brought before the Suideration and adjudication. In the meantime the application to the Chief justice is suspended without proju-The District Attorney of Mississippi

is directed to facilitate any proceeding necessary for the prosecution of the case to the Supreme Court. The Attorney-General is authorised by the President to say that no sentence of the Military Commission will be earried into effect save that which may be necessary to the safe custody of the prisoner. This argument meets with he approbation of the Chief Justice.
